### TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air brake.

It is positively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern"

is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to C. S BARRETT, Southern Passenger Agent, Postoffice Box 242, Chattanooga Tenn., or to the undersigned.

### Legislative Gerrymanders.

"Lend me," said a borrower, "your rope." "I cannot," answered the Eastern sage, "for I want it to put flour in." "But one does not put flour in a rope." "Yes, I know that, but any excuse will do when one wishes or does not wish to do anything." Our Legislative sages sometimes give as good a reason as he of Arabia, when they are resolved upon a line of conduct. The fact that an individual often disguises his real motives by alleging others, is no excuse for men who are trusted with the high and honorable functions of law-makers, to do the same thing.

Partisan legislation may be said to invariably arise from corrupt principles. A Legislature, elected by political parties, is expected to make such general laws as are in accordance with the opinions which prevail in the organization to which the majority belongs, but it illy comports with the honor and dignity of such a body to descend to the level of the tricksters and managers of a cross-road voting place.

The attempted manipulation of the fourth judicial district by the Legislature, on the score of its present inconvenience, is one of the most notable examples of partizanship which has disgraced this State. The addition of three, and if the new county be formed from New Hanover, of four more counties to the district, for the purpose of changing the political character of it, is so discreditable to the party which is responsible, that it cannot fail to receive a rebuke in the next election. It may be said that the change which the Democrats are endeavoring to make, if it succeeds, will deform the district to the extent of making them ashamed of fathering such a monster. The people will turn away in disgust from this production of corruption and greed, and consign to oblivion and infamy those who gave it birth.

The desperation of the Democratic party is evident when they resort to such expedients to obtain power. In flinging to the winds every sentiment of political honor, as they do in this and similar gerrymandering schemes, they show that they expect no further tenure of power, in North Carolina. Every consideration is lost sight of by them except to save what they can for individual plunder in the defeat which surely awaits them.

The Democracy have done much evil in the South. The sorrows and disasters of an unjustifiable and unsuccessful war were brought within the experience of every one, by that party; and its errors and offenses have not been less in peace than in war; but of all the causes which conduce to its final damnation, we doubt if any will operate stronger than these petty, selfish Legislative gerrymanders.

## EDITORIAL BUDGET.

— A female justice in Wyoming fined her husband for drunkenness, and paid it too.

— It is said that Rosenzweig will not escape the sentence imposed on him for the killing of Alice Bowlsby. The District Attorney has sued out a writ of error, and expects to obtain a revision of the sentence which discharged the abortionist.

— On last Thursday, the collection of duty on green fruits was resumed at the New York Custom House. This duty had been suspended by Mr. Richardson, but it seems the Secretary was not satisfied, and now proposes a thorough examination of the subject.

— Jean Francois Charles Bartholdy the new Minister from France to the United States, is an Alsatian Jew, and about forty-five years of age. He comes to this country from St. Petersburg, where he was first Secretary to the French Legation. He is considered one of the most astute diplomatists France possesses, and is famous for the intimate terms he manages to live on with the government to which he is accredited.

— John C. Connor, of the second district of Texas, died in Washington, Friday last. He entered the Federal army in 1862 as a lieutenant, and served until the close of the war, He was then made captain in the 41st infantry, regular army, and while on duty in Texas was elected, by the democrats to the Forty-first Congress, and re-elected to the Forty-second.

## GENERAL ASSEMBLY.

[Condensed from the Raleigh Sentinel.]

TWENTY-SECOND DAY'S PROCEEDINGS.

SENATE.

FRIDAY, Dec. 12.

The Senate met at 10 o'clock, Lieut. Governor in the chair.

Journal of yesterday was read and approved.

Reports from Standing Committees were submitted.

*Introduction of Bills.*

By Mr. Humphrey: A bill to make a uniform rate of interest in North Carolina. Placed on the calendar; and, on motion of Mr. Waring, it was ordered to be printed and made the special order for Wednesday next at 12 o'clock.

By Mr. Waring: A bill to amend chapter 102 of &attle's Revisal. Referred to Judiciary Committee.

By Mr. Ransom: A bill to repeal sections 1 and 4, chapter 174, laws 1870–'71. Referred to Judiciary Committee.

*Rules Suspended.*

The bill to cure certain defects in jurisdiction in certain cases, was on motion of Mr. Morehead, of Guilford, taken up under a suspension of the rules, and passed its several readings. The bill provides that proceedings now pending before Superior Court Clerks for divorce and alimony shall be transferred to the court docket, as if regular summons had been made for such court.

On motion of Mr. Ellis, of Columbus, the bill changing the times for holding the Superior Courts of the 4th Judicial Circuit, and changing the counties of Carteret and Onslow from the 3d Judicial District to the 4th, and Sampson county from the 5th Judicial District to the 4th, was taken up under a suspension of the rules.

On the third reading of the bill, Mr. Troy objected to the changing of Sampson county from the 5th Judicial District.

Mr. Scott said that the bill was one in which his constituents were deeply interested, and he saw several objections to its passing. He would therefore move its recommittal to the committee.

Messrs. Allen and Murphy favored the recommittal.

Mr. Scott's motion to recommit prevailed.

Senate resolution appropriating $1,277 67 to defray the expenses of Prof. Kerr in exhibiting the products of North Carolina at the Vienna Exhibition, was, on motion of Mr. Norwood, taken up under a suspension of the rules.

Mr. Norwood rose to explain, stating that the resolution was introduced in accordance with the report of the committee. The resolution passed by a close vote.

The Judiciary Committee, through Mr. Allen, reported both the bills to regulate the times of holding the courts of the 4th Judicial District, and it passed its third reading without any important alteration by that committee.

*Messages Received*

From the House, transmitting a resolution in regard to adjournment. The resolution provides for the *sine die* adjournment at 12 o'clock on the 24th inst.

On the motion to concur, Mr. Cunningham called the ayes and nays. The motion to concur prevailed—ayes 41, nays none.

On motion of Mr. King, the vote on the concurrence was reconsidered, and that motion laid on the table.

*Special Order.*

At 1 o'clock the bill for the adjustment of the State debt was taken up as the special order.

The reading of the original bill was dispensed with and the amendment offered by the Joint Select Committee on the State debt was read.

Mr. Worth first took the floor in advocacy of the bill offered by himself, which is the substitute now offered. He had thoroughly examined this matter of the State debt in all its forms; it had been his constant study since a member of the General Assembly; he had devised ways and means in his mind, for its adjustment and he thought his work had culminated in a success in the offering of this bill. He referred to the classification of the debt as contained in the Treasurer's report, and proceeded at considerable length in explanation of the character of the debt as therein contained. He desired to hear a full discussion of the bill by the Senators, but hoped, for the honor of the State, that the debt would be adjusted upon the basis laid down in the bill.

Mr. Norwood offered a long amendment to the bill.

Amendments were also offered by Messrs. Love and Troy, which were ordered to be printed, and the further consideration of the bill postponed till 12 o'clock on Monday next, and made the special order for that hour.

Adjourned.

HOUSE OF REPRESENTATIVES.

At 11:30 Mr. Speaker Robinson called the House to order.

Journal of yesterday read and approved.

Several petitions were introduced, and a proper disposition made of them.

By Mr. McGehee, a resolution declaring the special tax bonds no part of the State debt. Calendar.

The bill to change the line between Cumberland and Bladen counties, was taken up and passed its third reading.

On motion of Mr. Bowman, the rules were suspended and the majority and minority reports in regard to adjournment were read. The question recurred upon the minority report fixing the adjournment of the General Assembly on the 31st, as a substitute for the majority report, which fixes the time for the 24th. A vote was taken and the minority report was rejected. The question then recurred upon the adoption of the majority report and it was carried in the affirmative.

The resolution, accompanying the majority report, adjourning on the 24th was taken up.

On the call of Mr. Jones, of Orange, the previous question was ordered, and under its operation a vote was taken and the proposition to adjourn *sine die* on the 24th inst., was adopted—yeas 91, nays 14.

On motion of Mr. Jones, of Caldwell, the rules were suspended and the bill for the relief of those counties as have not received such compensation as is allowed by law for the support of lunatics, was taken up and after a rather lengthy debate and much amendment, the bill passed its several readings.

The bill to authorize the North Carolina Railroad Company to construct or purchase a railway from Salisbury to or near the Tennessee line, at or near Paint Rock, and to the Georgia or Tennessee line in the county of Cherokee, and to purchase the Western North Carolina Railroad or any one or all the divisions of the same, was taken up and considered by sections, and pending the passage of the bill on its second reading as a whole, the House adjourned.

**The Old Fort Whiskey Shops** refused to obey the local prohibition law. A civil war is threatened.

Prospectus for 1874—Seventh year.

### THE ALDINE,

An Illustrated Monthly Journal, universally admitted to be Handsomest Periodical in the World. A Representative and Champion of American Taste.

Not for Sale in Book or Music Stores

THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possessor of a complete volume cannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost; and then, there are the chromos, besides!

ART DEPARTMENT, 1874.

The illustrations of THE ALDINE have won a world-wide reputation, and in the art centres of Europe it is an admitted fact that its wood cuts are examples of the highest perfection ever attained. The common prejudice in favor of 'ssteel plates," is rapidly yielding to a more educated and discriminating taste which recognizes the advantages of superior artistic quality with greater facility of production. The woodcuts of THE ALDIFE possess all the delicacy and elaborate finish of the most costly steel plate, while they afford a better rendering of the artist's original.

To fully realize the wonderful work which THE ALDINE is doing for the cause of art culture in America, it is only necessary to consider the cost to the people of any other decent representations of the productions of great painters.

In addition to designs by the members of the National Academy, and other noted American artists, THE ALEINE will reproduce examples of the best foreign masters, selected with a view to the highest artistic success and greatest general interest. Thus the subscribers to THE ALIENE will at a trifling cost, enjoy in his own home the pleasure and refining influences of true art.

The quarterly tinted plates for 1874 will be by Thos. Moran and J. D. Woodward.

The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attraction any of its predecessors.

PREMIUM FOR 1874.

Every subscriber to THE ALDINE for the year 1874 will receive a pair of chromos. The original pictures were painted in oil for the publishers of THE ALDINE, by Thomas Moran, whose great Colorado picture was purchased by Congress for ten thousand dollars. The subjects were chosen to represent "The East" and "The West," One is a view in the White Mountins New Hampshire the other gives the Cliffs, of Green River, Wyoming Territory. The difference in the nature of the scenes themselves in a pleasing contrast, and affords a good display of the artist's scope and coloring. The chromos are each worked from thirty distinct plates, and are in size (12 x 16) and appearance exact fac-similes of the originals. The presentation of a worthy example of America's greatest landscape painter to the subscribers of THE ALDINE was a bold but peculiarly happy iden, and its successful realization is attested by the following testimonial, over the signature of Mr Moran himself.

NEWARK, N.J., Sept 20th, 1873.
Messrs. JAMES SUTTON & Co.

Gentlemen,—I am delighted with the proofs the color of your chromos. They are wonderfully successful representation by mechanical process of the original paintings.

Very respectfully,
(Signed,) THOS. MORAN.

These chromos are in every sense American. They are by an original American process, with material of American manufacture, from designs of American scenery by an American painter, and presented to subscribers to the first successful American Art Journal. If no better because of all this they will certainly possess an interest no foreign production can inspire, and neither are they any the worse if by reason of peculiar facilities of production they cost the publishers only a trifle, while equal in every respect to other chromos that are sold singly for double the subscription price of THE ALDINE. Persons of taste will prize these pictures for themselves—not for the price they did or did not cost, and will appreciate the enterprise that renders their distribution possible.

If any subscribers should indicate a preference for a figure subject, the publishers will send "Thoughts of Home," a new and beautiful chromo, 11 x 20 inches, representing a little Italian exile whose speaking eyes betray the longings of his heart.

TERMS,

$5 per annum, in advance, with Oil Chromos free.

For 50 Cents Extra, the chromos will be sent, mounted, varnished, and prepaid by mail.

THE ALDINE will, hereafter, be obtainable only by subscription. There will be no reduced or club rate; cash for subscriptions must be sent to the publishers direct, or handed to the local canvasser, without responsibility to the publishers, except in cases where the certificated is given, bearing the facsimile signature of JAMES SUTTON & Co.

OTTO SCHUTZE,
Observer, U. S A.

PARTIES in need of the best articles of coal and wood in the city, will find it to their interest to patronize the new Yard at corner Front and Mulberry st.
J. A. SPRINGER.

ONE police arrest yesterday for disorderly conduct.

THE Rev. Dr. J. B. Purcell is in the city on a short visit.

THE magistrates are all busy now with assault and battery cases.

CHRISTMAS DAY and the first of May invariably come on the same day of the week.

ACTIVE preparations are being made for the Masquerade Ball which comes off on the 30th.

A FEMALE organ grinder, and a man with a lifting machine, is all that remains to remind one of the Fair.

THE case of a bar-keeper, charged with being *particeps criminis* in the robbery of Mr. McKay, was continued until to-morrow.

THE ticket calling for the $100 gold prize in the Gift Concert was not sold, and was held by the Cape Fear Agricultural Association, under whose jurisdiction the Concert was given.

SOME one attempted to effect an entrance into the residence of Mr. H. Marcus, on Second between Dock and Orange streets last evening, but took their departure before an entrance was made. The window blinds and glass to one of the parlor windows was broken, and the glass scattered over the floor.

DR. W. H. Barker, who will be remembered by many of our old citizens as one of the most discriminating and successful Phrenologists that ever visited this city or the South, will give a free Lecture this evening at the City Hall, on his specialty and kindred subjects. All who desire an insight into the mysteries of their mental organization, and knowledge of their mental characteristics, should not fail to attend.

YACHTS.—We saw this morning a couple of very fine models of yachts at the hardware establishment of Messrs. Giles and Murchison. One is owned by a gentleman of Masonboro', and the other by one of Wrightsville's citizens. We can hope to see large and beautiful yachts, built by these models, gliding over the waters of the Sound by early Spring. We are of the opinion that several new and beautiful yachts will be added to the boat club before their next race.

The New Berne *Republic-Courier* says: The yacht *Julia* has been temporarily chartered by the government to convey a surveying party, under command of Major George Elliott, of the Engineer Department at Fortress Monroe, from New Berne to Oregon Inlet, south of Roanoke Island, for the purpose of soundings and a survey, with the view of a deeper channel being cut by the Government to enable vessels of 12 feet coming to that port.

## THE TOWN CRIER.

— Mild.

— Pleasant yesterday.

— Awful gale Saturday night.

— George Myers has some fine figs.

— The holly berries are plentiful now.

— Katie Putnam comes in February.

— Only ten days more to Christmas.

— Many people went to church yesterday.

— Court commences on the 29th of this month.

— Now that Fair week is over, let us prepare for Christmas.

— Duprez and Benedict's Minstrels to-night. Now's your chance.

— Capt. Morrison is improving, and his legs were not amputated either.

— Gold is 110¼ according to press dispatches, but commercial dispatches put it at 11¼.

— The road to the Cemetery is a disgrace to the city. Why is it not placed in passable condition?

— Handling guano on Sunday night does not add to the comfort of church goers. Whew, how the city did smell!

— The (Fayetteville) North Carolina Gazette has not got over the war yet. It had better wake up and go to Cuba.

— Heinsberger shows the benefit of enterprise. He had a piano and an organ at the Fair, and sold both. He is no sardine.

— Dr. Plumer will continue to preach at the First Presbyterian Church until the second Sabbath in January, when the Rev. Mr. Martin will assume charge.

THE Duprez and Benedict Minstrels Band marched our streets this morning, and discoursed fine music.

### A Saturday Night Sketch.

As the sun went down, closing the busy week, clouds were overspreading the heavens, reflecting the glorious sunset tints so common here, and yet so ever new. Gradually the warm purple glow deepened into gray and the rising wind and general dampness of the atmosphere came as a fierce reminder that even the most charming weather of a week could have a bitter close.

A glance at the fair grounds depicted a gloomy scene of desolation and desertion. The buildings, but lately alive with humanity, was silent and the dusty shelves where lately were festooned the handiwork of fair and skillful fingers, mutely bore testimony of the end of display, and that the annual silence was begun. A few desolate looking individuals were about the grounds, huddled over small fires or packing up the remnants that remained of their goods. A single "Fortune Wheel" was in position for the entertainment of the unwary, and the last train was gone. The employes of the mercantile stands stood beside their boxes, waiting for the wagons to transport them to the city, with muffled coats and hands thrust deep into their pockets. The last carriage drove from the grounds, the object of many a longing glance, as the last vestage of transportation disappeared, for pedestrianism was then their only chance to obtain shelter.

The darkness gathers fast and with it, the light drops of rain, the advance guard of the storm to come, as Saturday night comes in. Hastening along, the visitors rush for the street cars or for any comfortable shelter, to avoid the rain which gradually increases.—Borrowing an umbrella we hasten thro' the storm, to find something worthy of note about the streets. The "lung tester" stands in front of the Market House, with a few shivering mortals about it, but the proprietor does not accumulate that quantity of "stamps" necessary to perfect happiness. The wind has risen almost to a gale, and our umbrella suddenly assuming the form of an immense cabbage. Whenever your umbrella plays such a trick, just turn it toward the wind and it will assume its normal condition and be useful. We know this and so try it and are again protected.

The clerk of the weather has evidently made a miscalculation. Heretofore we have had rainy days and bright Saturday nights, but now, after a bright day, we find a dark chilly, rainy night. Purchases are quickly made, bystanders crowd about the stove and shiver as they hear the gale. The rain soon ceases however, though the gale increases and pity for the sailors who are off at sea nearing our dangerous coast to-night is expressed by many.—Rut 'tis too stormy and generally disagreeable to wander about to-night and we return, like our companions to our home. All night long the windows will rattle and the shutters will slam!—Strange sounds are heard about the house and the night is very dark, so that we dread ghosts and gobblins, and long for daylight. Ere the midnight hour comes the stores are closed, all business is over, and we are lost to unearthly sounds and sleep, that gentle sleep only experienced by the pure and good.

## STATE ITEMS.

The streets of Raleigh are literally crowded with cotton.

A Council of Granges will meet in Kinston on the 18th inst.

Sneak thieves are beginning to be troublesome in Salem.

Milton enjoyed a fox chase through the streets the other day.

The cornet band of Lumberton will give a ball in that town on the 26th inst.

Charlotte talks about having another election on the question of issuing city bonds.

The tobacco market of Milton is rapidly recuperating and business is again getting lively.

Raleigh expects the erection of many large and costly buildings on the opening of next Spring.

Mr. John T. West, an old and esteemed citizen of Raleigh, died in that city on Friday last.

Representative Stanford, of Duplin, is still quite ill at the Yarbrough House, Raleigh.

The Asheville *Expositor* says that the mountain scenery of Mitchell county is unsurpassably beautiful.

Dr. J. W. Hall, one of the most prominent citizens of Salisbury, died on Saturday very suddenly.

Messrs. Wade & Howard, shipbuilders of New Berne, launched on Wednesday last a beautiful 200 tons schoonner which they have just built, called the "*Melvin.*"

Valentine Hege, of Davidson county, burnt to death on Monday night of last week. His clothing caught fire while sitting before a fire, in a state of of intoxication.

The inland waters at Beaufort and vicinity abound with wild duck at this season of the year. Many persons are now engaged in the delightful sport of duck hunting in that vicinity.

Nason, of the New Berne *Republic-Courier*, says a package containing a pair kid gloves, a white neck tie, two sermons, and notes for a political speech, a book of *yallow* covered literature, a flask partly filled with apple brandy, some hair pins, a photograph of a pair of twins, and a pair of eye-glasses, has been left his at editorial rooms by some poor sinner, who has undoubtedly been worrying to know where he left them.

The Rockingham *South* says that Mr. Henry Y. McLeod, who was approaching that place in a buggy one day last week, was robbed by two colored men who sprang upon him suddenly, and knocked him senseless. He was robbed of $289 in money and other articles. His arm was broken and he was otherwise terribly beaten and bruised. Mr. McLeod thinks he knows one of the villians, and it is to be hoped that both of them may be speedily brought to justice.

OWING to the late panic we will sell until January 1st, our entire stock at 25 per cent. less than New York cost.

— The Secretary of the Treasury is anxious to realize some thirty millions more than the present income of the government from taxation, and proposes an additional tax upon the poor man's industry to get it. We warn Congress against putting on the screws in this direction. Let it stop the bonus of thirty millions now paid to the national banks and the Secretary's necessities will be provided for.

EFFECTS of panic tremendous: Tumble in prices at
S. HANSTEIN & Co's
New York House,

— There is a brave youth in Leesburg, Va., who flourishes under the poetic name of Milton, who is now busily engaged in presenting to the public a ponderous, particular, and pointed affidavit, in which he says that Anna Dickinson once offered him her hand and heart and he refused her. If he can establish this fact definitely he will be marched right to the head of the long list of the world's renowned heroes.

CLOTHING is down, money being scarce, we are offering our entire stock of clothing, boots and shoes at suspension prices.
S. HANSTEIN & Co's
New York House,

— Professor Agassiz is still very seriously ill, and his friends are extremely solicitous about his condition. Paralysis seems to have affected the organs of the throat, and affects incidentally almost the entire body. Fears are entertained that he may linger for a considerable time in this condition, and his recovery is considered improbable. His death will leave a vacancy in the scientific world not easily filled.

### WASHINGTON.

WASHINGTON, December 15.

SENATE—The committee on Privileges and Elections, Sumner being absent, report themselves equally divided upon the merits of the case as between McMillan and Pinchback, and refer the whole matter to the Senate, and ask to be discharged from its further consideration.

The committee is divided thus: Messrs. Morton, Logan, Anthony and Mitchell for seating Pinchback, on *prima facia* evidence. Opposed, Messrs Carpenter, Alcorn, Hamilton and Salisbury.

Morton moved that the Senate seat Pinchback on *prima facia* evidence.—The question comes up to-morrow after the morning hour.

Mr. Terry, in arguing the resolution, moved that all the testimony be printed and laid on the Senators' tables. He wished to avoid the contingency of an alleged illegally elected U. S. Senator from Louisiana legislating in the Senate for the whole United States, pending the question of his right to perform such functions.

Secretary Richardson, in his letter to representative Dawes, reiterates his previously expressed views, that it is better to obtain the necessary money by taxation than by an increase of the public debt by a loan. He says that he selected tea and coffee because the public would feel the tariff on these articles less than on any others, and as to the articles of taxation pertaining to the Internal Revenue Bureau, the money could be collected without additional expense to the Government.

The Secretary to-day, after the necessary examination, ascertained that the public debt has increased since the 1st instant $5,000,000.

### NEW YORK.

NEW YORK, December 15.

John Wilson, captain of the barge Virginia, has been arrested on a charge of pushing overboard Edward McGoodrich, who was found drowned.

— John O'Sullivan, a Justice of the Peace in Hudson county, New York, has been indicted by a Grand Jury as a common nuisance. He is charged with being a common barrator, stirring up strife, and setting a bad example to the citizens of the township of which he is a resident. The jury after a whole night's deliberation acquitted the defendant, much to the disgust of a part of the audience in the Court room. He was imprisoned one day, however, for contempt of Court, for resenting the demonstrations of the spectators.

### THE SUN.

—:o:—

WEEKLY, SEMI-WEEKLY, AND DAILY.

THE WEEKLY SUN is too widely known to require any extended recommendation, but the reasons which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more are briefly as follows,

It is a first rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always presented in a clear, intelligible, and interesting manner.

It is a first rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages.

It is a first rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department.

It is an independent political paper, belonging to no party and wearing no color.—It fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country and threaten to undermine republican institutions altogether. It has no fear of knaves, and asks no favors from their supporters.

It reports the fashions for the ladies and the markets for the men, especially the cattle markets, to which it pays particular attention.

Finally, it is the cheapest paper pulished. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have THE WEEKLY SUN at this rate. Any one who sends a single dollar will get the paper for a year.

We have no traveling agents.

THE WEEKLY SUN.—Eight pages, fifty six columns. Only $1 00 a year. No discounts from this rule.

THE SEMI-WEEKLY SUN.—Same size as the Daily Sun. $2 00 a pear. A discount of 20 per cent. to clubs of 10 or over.

THE DAILY SUN.—A large four page newspaper of twenty eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription price 50 cents a month, or $6 00 a year. To clubs of 10 or over, a discount of 20 per cent. Address,

**Concerning Bridges over Wilmington and Weldon Railroad in the City of Wilmington, N. C,**

WHEREAS, THE "CUT" MADE BY the Wilmington and Weldon Railroad Company in the construction of their Railroad, where the same crosses or intersects the streets in the city greatly impedes the passage of travellers and tends to the manifest injury of the citizens.

AND WHEREAS, The Board of Aldermen are advised that it is the duty of the said Wilmington and Weldon Railroad Company to erect and maintain bridges across such cuts where the same cross or intersect the streets in the city, therefore,

BE IT RESOLVED BY THE BOARD OF ALDERMEN, That in their opinion the public necessity demands the erection of bridges at the following points where the said Railroad intersects the following streets to wit: Second Street, Third Street, Fifth Street, Sixth Street, Seventh Street and MacRae Street.

RESOLVED, That in the opinion of this Board, the width of the bridges over said Railroad cut or excavation on Second Street should be thirty feet wide, on Third Street forty feet wide, on Fifth Street forty feet wide, on Sixth Street Twenty-five feet wide, on Seventh Street, twenty feet wide, on McRae Street twenty feet wide.

RESOLVED, That in the opinion of this Board, the Bridge known as Boney Bridge, where the Railroad crosses Fourth Street, is so narrow as to impede the passage of travellers on the same, and that a bridge of fifty feet wide would be necessary to accommodate the public at that point,

RESOLVED, That the Mayor cause a copy of these Resolutions to be served upon the President or Managing Agent of the Wilmington and Weldon Railroad Company, and that he direct the officer serving the notice to return a copy thereof, with the manner of service, to the office of the Clerk and Treasurer of the City.

The above Preamble and Resolutions were passed by the Board of Aldermen at their meeting November 21st, 1873.
